

# **W**AYTECH

**Digital Archive System**

## GENERAL DESCRIPTION

Scanning is a complex and often time-consuming process, depending largely on the state and packaging of documents.

By implementing the **WAYTECH** solution, in addition providing the discipline to correctly arrange their physical files, Institutions also have a **digital archive** which, besides ensuring easy **accessibility** and consultation of documents, allows for their **registration, classification and aggregation**.

# GENERAL DESCRIPTION

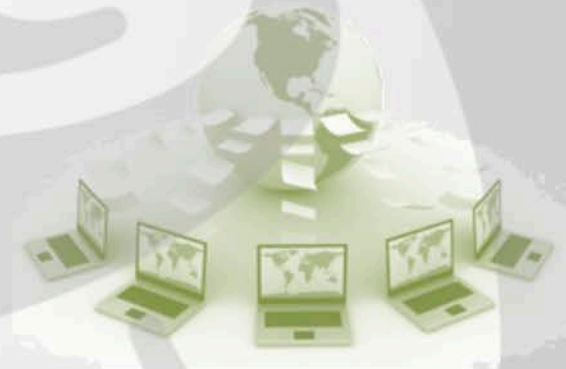

MASS DIGITISATION

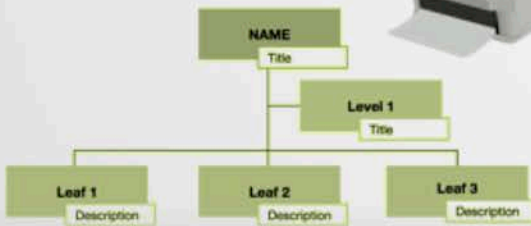

## CENTRALISED DOCUMENT REPOSITORY

## DECENTRALISED ACCESS TO INFORMATION

## DEPARTMENTAL DIGITISATION

# WAYSOLUTION
